

PROPOSAL
For The Re-Inhabited Republic For Florida
Manning The Federal Congress

TO: **Honorable MICHAEL BISHOP**, Governor, Florida
State Officers: Clyde Cleveland, Jim Costa, Robert Elling, Beverly Killmore,
 Kristy Lefferts, Craig Pearson, Susan Price.

From: Jim Costa

Date: Oct. 21, 2024

The Problem:

How will Florida send delegates to the Federal House of Representatives and the Senate, during this emergency?

Facts & Assumptions:

- A) The current Corporate Federal Government has 28 members of the House and 2 Senators from Florida. [Source](#)

- B) In bringing up the Republic, we were told to elect 2 delegates from each county. Florida has 67 counties, yielding 134 delegates to what I believed to be the House of Representatives. If we follow this line of thought, that makes 135 House members, counting the 1 appointed by the Governor.

- C) The Current Florida Corporate Government currently has a State Senate Map for 40 Senators based on current [Population](#) See: [Senate Map](#)

The Plan:

- 1) Send 28 Representatives to the Federal House.
 They can be elected by the Florida House of Representatives from their House.

- 2) Immediately let the Florida counties that elected them replace them.

- 3) Send 2 Senators elected by the Florida Senate from their members to the Federal Senate.

- 4) They can be replaced by the 2 two Florida Senate Districts that they were from.

Costs Zero

Pros:

Fills a gap in the planning in a fair manner.

Cons:

Action Requested From Anyone.

- 1) Approve or disapprove.
- 2) Cause it to happen.
